

COMPANY OVERVIEW

CML is a minority-owned, State of Texas registered startup specializing in the supply of enterprise-grade IT hardware and software to the public sector. We are positioned to serve federal, state, and local government clients with IT hardware, software, and technology solutions. By partnering with strategic aggregators and distributors such as Carahsoft, and OEMs like HP, Microsoft, Dell, and IBM, we provide public agencies access to trusted OEM solutions through compliant and cooperative purchasing channels.

Our aim is to streamline procurement while supporting small business participation goals.

CORE CAPABILITIES

- IT Hardware Procurement: Laptops, Desktops, Servers, Printers, Storage, and Peripherals.
- Software Licensing & Subscription: Microsoft 365, Windows, Adobe, & Cybersecurity suites
- Cloud & Security Solutions: IBM Security, Microsoft Azure & AWS.
- Vendor-Agnostic Solutions: Access to multiple OEMs through Carahsoft and Ingram Micro.
- Value-Added Services: Basic configuration, Warranty management, Lifecycle support, and Logistics.

PAST PERFORMANCE

As a startup, we are in the early stages of building past performance, but we bring immediate credibility through our direct partnerships with OEMs including Microsoft, Dell, and HP, as well as strategic alignment with IBM and leading public sector aggregators like Carahsoft. These relationships position us to deliver compliant, enterprise-grade solutions across federal, state, and local government sectors with confidence and support.
